

**INVITATION TO SUBMIT PAPERS
FOR THE
2008 INTERNATIONAL MILITARY &
AEROSPACE/AVIONICS COTS CONFERENCE,
EXHIBITION & SEMINAR**

The 20th International Military & Aerospace/Avionics COTS Conference, Exhibition & Seminar will be held at the Chicago Marriott Schaumburg, Schaumburg, IL, August 3 – 5, 2008. Authors are invited to submit original work which addresses commercial plastic encapsulated microcircuits (PEMs) for use in high reliable applications. The COTS Conference has a broad scope; specific topics of interest include but not limited to:

- Reliability
- Testing
- Implementation
- Development
- Processing
- Specification Generation
- Procurement (Market, Sourcing and Supply Problems)
- Radiation Hardness
- Lead Free Applications
- Prognostics

Papers to be accepted for presentation and included in the Proceedings CD, will be based on a *one page* Abstract provided to the Program Committee. The Abstract must include the Title, Author(s), Affiliation and Address. Critical dates for submission are indicated below. A Conference Proceedings CD will be provided to all attendees at registration, which means the material to be included in the CD is required by July 18, 2008.

Critical dates:

April 18	Closing for Abstract submittal
May 1	Notification of Acceptance
July 18	CD Material Required

Clearance of presentation/publication material is author's responsibility. Presenters Conference admission will be at a reduced rate!
